In response to the following inquiries received from prospective proposers, the Division of General Services amends this request for office space issued on May 26, 2010 to answer the following questions that have been asked:

1. In regards to parking and the fenced and lighted area:  
Q: Is this in addition to or included in the 125 spaces?  
A: Included in the 125  
  
Q: How many spaces does the fenced area need to accommodate?  
A: 10-15
2. In regards to the 24/7 HVAC and backup generator:  
Q: Is the 24/7 HVAC for the entire space or for a portion of the space?  
A: For the entire facility  
  
Q: Is the backup generator to accommodate just the space, (lights, outlets, HVAC, etc.) or also the equipment the agency will have in the space?  
A: For the lights, outlets and HVAC in the main facility and all equipment in the Dispatch TCC area.
3. Q: How would you like the 340 square foot confiscated material storage room/warehouse to be finished?  
A: A climate controlled area with a tile or concrete floor.
4. Note: The floor plan that was attached to the solicitation is for giving a proposer an idea for a general layout. It is not to scale nor is it an exact configuration of what the agency may want.
